## 1. ELECTION OF DIRECTORS

The board of directors of the Fund is responsible for the overall management and operations of the Fund. Directors are divided into three classes and are elected to serve staggered three-year terms.

The persons named in the enclosed proxies intend to vote in favor of the election of the persons named below (unless otherwise instructed). Each of the nominees has consented to serve as a director, if elected. In case any of the nominees should become unavailable for election for any unforeseen reason, the persons designated in the proxies will have the right to vote for a substitute.

**The board of directors of the Fund, including all of the independent directors, unanimously recommends a vote "FOR" the election of the nominees for director named below.**

At the meeting, Nancy Lampton, Eileen A. Moran and David J. Vitale are to be considered for election to serve as Class II directors of the Fund until the annual meeting of shareholders in 2012 or until their respective successors are elected and qualified, and Francis E. Jeffries is to be considered for election to serve as a Class III director of the Fund until the annual meeting of shareholders in 2010 or until his successor is elected and qualified.

With respect to the election of Mr. Jeffries, Ms. Moran and Mr. Vitale, a plurality of votes cast at the meeting by the holders of common stock and preferred stock, voting together as a single class, is required for

election. With respect to the election of Ms. Lampton, a plurality of votes cast at the meeting by the holders of preferred stock, voting as a separate class, is required for election. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the meeting, but will not affect the determination of whether a director candidate has received a plurality of votes cast.

Assuming each of the nominees is elected at the meeting, the terms of each class of the board of directors will expire at the annual meetings of shareholders in the years indicated in the table below:

<b>Class I Directors</b>	<b>Class II Directors</b>	<b>Class III Directors</b>
Geraldine M. McNamara – 2011	Eileen A. Moran – 2012	Philip R. McLoughlin – 2010

At April 1, 2009, no person was known by the Fund to own beneficially 5% or more of the outstanding shares of the Fund (as determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934 (the “1934 Act”).

**Section 16(a) Beneficial Ownership Reporting Compliance.** Section 16(a) of the 1934 Act requires the Fund’s officers and directors, and persons who own more than 10% of a registered class of the Fund’s equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (“SEC”). Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of Section 16(a) forms furnished to the Fund, or written representations that no Forms 5 were required, the Fund believes that during the most recent fiscal year all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except that two newly appointed directors of the Adviser (Nancy G. Curtiss and J. Steven Neamtz) were late in filing their Form 3 statements with respect to the Fund. All such forms have now been filed.

**Report of the Audit Committee.** The board of directors of the Fund has adopted a written charter for the audit committees which sets forth the audit committees’ responsibilities. The audit committee charter of the Fund, as revised and restated in November 2003, is available on the Fund’s website at <http://www.dpimc.com/funds/DTF> and in print to any shareholder who requests it. Each of the members of the audit committee is not an “interested person”

of the Fund as defined in the 1940 Act and is independent as defined in the listing standards of the New York Stock Exchange. In connection with the audit of the audited financial statements for the Fund’s fiscal year ended October 31, 2008, the audit committee: (1) reviewed and discussed the Fund’s 2008 audited financial statements with management, (2) discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, (3) received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the audit committee concerning independence, and (4) discussed with the independent registered public accounting firm its independence from the Fund and its management. Based on the foregoing reviews and discussions, the audit committee of the Fund recommended to the board of directors that the Fund’s audited financial statements be included in the Fund’s annual report to shareholders for filing with the SEC.

**Independent Registered Public Accounting Firm.** The 1940 Act requires that the Fund’s independent registered public accounting firm (the “Independent Auditor”) be selected by the vote, cast in person, of a majority of the members of the board of directors who are not interested persons of the Fund. In addition, the listing standards of the New York Stock Exchange vest each audit committee, in its capacity as a committee of the board of directors, with responsibility for the appointment, compensation, retention and oversight of the work of the Independent Auditor. In accordance with the foregoing provisions, the firm of Ernst & Young LLP has been selected as Independent Auditor to perform the audit of the financial books and records of the Fund for the Fund’s fiscal year ending October 31, 2009. A representative of Ernst & Young LLP is expected to be present at the meeting of shareholders and will be available to respond to appropriate questions and have an opportunity to make a statement if the representative so desires.

**Audit and Non-Audit Fees.** The following table sets forth the aggregate audit and non-audit fees billed to the Fund for each of the last two fiscal years for professional services rendered by the Independent Auditor.

	<b>Fiscal year ended October 31, 2008</b>	<b>Fiscal year ended October 31, 2007</b>
Audit Fees <sup>(1)</sup> .....	\$46,000	\$44,500
Audit-Related Fee <sup>(2)(6)</sup> .....	3,300	5,200
Tax Fees <sup>(3)(6)</sup> .....	4,800	4,600
All Other Fees <sup>(4)(6)</sup> .....	0	0
Aggregate Non-Audit Fees <sup>(5)(6)</sup> .....	8,100	9,800

<sup>(1)</sup> Audit Fees are fees billed for professional services rendered by the Independent Auditor for the audit of the Fund’s annual financial statements and for services that are normally provided by the Independent Auditor in connection with statutory and regulatory filings or engagements.

<sup>(2)</sup> Audit-Related Fees are fees billed for assurance and related services by the Independent Auditor that are reasonably related to the performance of the audit of the Fund’s financial statements and are not reported under the caption “Audit Fees.” These services included: (i) services related to the performance of periodic

agreed-upon procedures relating to the Fund's leverage, at a cost of \$3,200 in 2007 and \$3,300 in 2008; and (ii) in 2007 only, services related to the review of the Fund's underlying documentation for open tax years in conjunction with FIN 48, at a cost of \$2,000.

- (3) Tax Fees are fees billed for professional services rendered by the Independent Auditor for tax compliance, tax advice and tax planning. In both years shown in the table, such services consisted of preparation of the Fund's annual federal and state income tax returns and excise tax returns.
- (4) All Other Fees are fees billed for products and services provided by the Independent Auditor, other than the services reported under the captions "Audit Fees," "Audit-Related Fees" and "Tax Fees."
- (5) Aggregate Non-Audit Fees are fees billed by the Independent Auditor for services rendered to the Fund, the Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund (collectively, the "Covered Entities"). During both years shown in the table, no portion of such fees related to services rendered by the Independent Auditor to the Adviser or any other Covered Entity.
- (6) No portion of these fees was approved by the audit committee after the beginning of the engagement pursuant to the waiver of the pre-approval requirement for certain *de minimis* non-audit services described in Section 10A of the 1934 Act and applicable regulations.

**Pre-Approval of Audit and Non-Audit Services.** The audit committee of the board of directors of the Fund, jointly with the audit committees of the boards of directors of DNP and DUC, has adopted a Joint Audit Committee Pre-Approval Policy (attached as Exhibit A to this proxy statement) to govern the provision by the Independent Auditor of the following services (collectively, "Covered Services"): (i) all engagements for audit and non-audit services to be provided by the Independent Auditor to the Fund and (ii) all engagements for non-audit services to be provided by the Independent Auditor to the Adviser or any other Covered Entity, if the engagement relates directly to the operations and financial reporting of the Fund. With respect to non-audit services rendered by the Independent Auditor to the Adviser or any other Covered Entity that were not required to be pre-approved by the audit committees because they do not relate directly to the operations and financial reporting of the Fund, the audit committee has nonetheless considered whether the provision of such services is compatible with maintaining the independence of the Independent Auditor.

**Nomination of Directors.** The board of directors of the Fund has adopted a written charter for the nominating and governance committees which sets forth the committees' responsibilities. The joint nominating and governance committee charter of the Fund, DNP and DUC, as adopted in February 2009, is available on the Fund's website at <http://www.dpimc.com/funds/DTF> and in print to any shareholder who requests it. Each of the members of the Fund's nominating and governance committee is not an "interested person" of the Fund as defined in the 1940 Act and is independent as defined in the listing standards of the New York Stock Exchange.

The Fund's nominating and governance committee will consider director candidates recommended by shareholders. In considering candidates submitted by shareholders, the committee will take into consideration the needs of the board of directors, the qualifications of the candidate and the interests of shareholders. The committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. In order for a candidate to be considered by the committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder and evidence of the person's ownership of shares of the applicable Fund, including the number of shares owned and the length of time of ownership;

- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Fund and the person's consent to be named as a director if selected by the committee and nominated by the board of directors; and
- If requested by the committee, a completed and signed director questionnaire.

The shareholder recommendation and information described above must be sent to the Fund's Corporate Secretary c/o Duff & Phelps Investment Management Co., 200 S. Wacker Drive, Suite 500, Chicago, Illinois 60606 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the Fund's most recent annual meeting of shareholders or, if the meeting date has been changed by more than 30 days, a reasonable amount of time before the meeting.

The Fund's nominating and governance committee believes that the minimum qualifications for serving as a director of the Fund are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the board of directors' oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Fund. The committee also seeks to have the board of directors represent a diversity of backgrounds and experience.

**Shareholder Communications with the Board of Directors.** The board of directors has considered the following procedures in order to facilitate communications between the board of directors and the shareholders of the Fund and other interested parties. Shareholders and other interested parties may contact the board of directors or any member of the board of directors by mail. Correspondence should be addressed to the "Board of Directors" or the individual board members with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Fund at 200 S. Wacker Drive, Suite 500, Chicago, Illinois 60606. All communications received will be opened by the Fund's officers or legal counsel for the sole purpose of determining whether the contents represent a message to one or more of the directors. The officer or the legal counsel will forward promptly to the addressee any contents that relate to the Fund and that are not in the nature of advertising, promotions of a product or service, or patently offensive material. In the case of communications to the board of directors or any committee or group of members of the board of directors, copies of the communication will be furnished to each director who is a member of the group or committee to which the envelope is addressed.

**Director Attendance at Annual Meetings.** It is the policy of the Fund that its directors, particularly those subject to election at that meeting, are encouraged to attend annual meetings of shareholders. The 2008 annual meeting of shareholders was attended by all of the members of the board of directors of the Fund who were directors at the time of such meeting.

**Shareholder Proposals.** Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the 2010 annual meeting of shareholders must be received by the Secretary of the Fund no later than December 9, 2009. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, the Fund may solicit proxies in connection with the 2010 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice by February 22, 2010.

**Solicitation of Proxies.** Proxies will be solicited by mail. Proxies may be solicited by Fund personnel personally or by telephone, telegraph or mail, but such persons will not be specially compensated for such services. The Fund will inquire of any record holder known to be a broker, dealer, bank or other nominee as to whether other persons are the beneficial owners of shares held of record by such persons. If so, the Fund will supply additional copies of solicitation materials for forwarding to beneficial owners, and will make reimbursement for reasonable out-of-pocket costs. In addition, the Fund may hire a proxy solicitor to assist the Fund in the solicitation of proxies at a cost of approximately \$1,500.

**General.** A list of shareholders entitled to be present and vote at the annual meeting will be available at the offices of the Fund, 200 S. Wacker Drive, Suite 500, Chicago, Illinois 60606, for inspection by any shareholder during regular business hours for ten days prior to the date of the meeting.

Failure of a quorum to be present at the annual meeting will necessitate adjournment and will give rise to additional expense.

**All shareholders are requested to sign, date and mail proxies promptly in the return envelope provided.**

**DNP SELECT INCOME FUND INC.  
DTF TAX-FREE INCOME INC.  
DUFF & PHELPS UTILITY AND CORPORATE BOND TRUST INC.  
AUDIT COMMITTEE  
AUDIT AND NON-AUDIT SERVICES PRE-APPROVAL POLICY  
(as adopted on February 17, 2009)**

**I. Statement of Principles**

Under the Sarbanes-Oxley Act of 2002 (the “Act”), the Audit Committee of the Board of Directors of each of DNP Select Income Fund Inc., DTF Tax-Free Income Inc. and Duff & Phelps Utility and Corporate Bond Trust Inc. (each a “Fund” and, collectively, the “Funds”)<sup>(1)</sup> is responsible for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor’s independence from the Fund. To implement these provisions of the Act, the Securities and Exchange Commission (the “SEC”) has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the Audit Committee’s administration of the engagement of the independent auditor. Accordingly, the Audit Committee has adopted this Audit and Non-Audit Services Pre-Approval Policy (this “Policy”), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditor may be pre-approved.

The SEC’s rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee (“general pre-approval”); or require the specific pre-approval of the Audit Committee (“specific pre-approval”). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to pre-approve services performed by the independent auditor. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent auditor. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Fund’s business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Fund’s ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative.

---

<sup>(1)</sup> This Joint Audit Committee Pre-Approval Policy has been adopted by the Audit Committee of each Fund. Solely for the sake of clarity and simplicity, this Joint Audit Committee Pre-Approval Policy has been drafted as if there is a single Fund, a single Audit Committee and a single Board. The terms “Audit Committee” and “Board” mean the Audit Committee and Board of each Fund, respectively, unless the context otherwise requires. The Audit Committee and the Board of each Fund, however, shall act separately and in the best interests of its respective Fund. Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

Under the SEC's rules, the Audit Committee must pre-approve non-audit services provided not only to the Fund but also to the Fund's investment adviser and other affiliated entities that provide ongoing services to the Fund if the independent accountant's services to those affiliated entities have a direct impact on the Fund's operations or financial reporting.

The Audit Committee is also mindful of the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services and may determine, for each fiscal year, the appropriate ratio between the total amount of fees for audit, audit-related and tax services (including any audit-related or tax service fees for affiliates that are subject to pre-approval) and the total amount of fees for certain permissible non-audit services classified as "all other" services (including any such services for affiliates that are subject to pre-approval).

The appendices to this Policy describe the audit, audit-related, tax and "all other" services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee.

The purpose of this Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent auditor to management.

The independent auditor has reviewed this Policy and believes that implementation of this Policy will not adversely affect the auditor's independence.

## **II. Delegation**

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members who are not "interested persons" under the Investment Company Act of 1940. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. In accordance with the foregoing provisions, the Audit Committee has delegated pre-approval to its Chairman, Eileen A. Moran, and to any successor Chairman who is not an "interested person."

## **III. Audit Services**

The annual audit services engagement terms and fees will be subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the independent auditor to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit. The Audit Committee will monitor the audit services engagement as necessary, but no less than on a semiannual basis, and will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

In addition to the annual audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other audit services, which are those services that only the independent auditor

reasonably can provide. Other audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the audit services in Appendix A. All other audit services not listed in Appendix A must be specifically pre-approved by the Audit Committee.

#### **IV. Audit-Related Services**

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements or that are traditionally performed by the independent auditor. Because the Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as "audit services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under form N-SAR.

The Audit Committee has pre-approved the audit-related services in Appendix B. All other audit-related services not listed in Appendix B must be specifically pre-approved by the Audit Committee.

#### **V. Tax Services**

The Audit Committee believes that the independent auditor can provide tax services to the Fund such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the independent auditor may provide such services. Hence, the Audit Committee believes it may grant general pre-approval to those tax services that have historically been provided by the auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. The Audit Committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the sole business purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee will consult with the Fund's Administrator or outside counsel to determine that the tax planning and reporting positions are consistent with this Policy.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the tax services in Appendix C. All tax services involving large and complex transactions not listed in Appendix C must be specifically pre-approved by the Audit Committee, including: tax services proposed to be provided by the independent auditor to any executive officer or director of the Fund, in his or her individual capacity, where such services are paid for by the Fund.

#### **VI. All Other Services**

The Audit Committee believes, based on the SEC's rules prohibiting the independent auditor from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as all other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has pre-approved the “all other” services in Appendix D. Permissible “all other” services not listed in Appendix D must be specifically pre-approved by the Audit Committee.

A list of the SEC’s prohibited non-audit services is attached to this Policy as Appendix E. The SEC’s rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

### **VII. Pre-Approval Fee Levels or Budgeted Amounts**

Pre-approval fee levels or budgeted amounts for all services to be provided by the independent auditor will be established annually by the Audit Committee. (Note that separate amounts may be specified for services to the Fund and for services to other affiliated entities that are subject to pre-approval.) Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the Audit Committee may determine the appropriate ratio between the total amount of fees for audit, audit-related and tax services for the Fund (including any audit-related or tax services fees for affiliates that are subject to pre-approval), and the total amount of fees for services classified as “all other” services (including any such services for affiliates that are subject to pre-approval).

### **VIII. Procedures**

All requests or applications for services to be provided by the independent auditor that do not require specific approval by the Audit Committee will be submitted to the Fund’s Administrator and must include a detailed description of the services to be rendered. The Administrator will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditor.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Fund’s Administrator, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC’s rules on auditor independence.

The Audit Committee has designated the Fund’s Administrator to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this Policy. The Administrator will report to the Audit Committee on a periodic basis on the results of its monitoring. Both the Administrator and any member of management will immediately report to the Chairman of the Audit Committee any breach of this Policy that comes to their attention.

### **IX. Additional Requirements**

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the independent auditor and to assure the auditor’s independence from the Fund, such as reviewing a formal written statement from the independent auditor delineating all relationships between the independent auditor and the Fund, consistent with Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees,” as adopted by the Public Company Accounting Oversight Board in Rule 3600T), and discussing with the independent auditor its methods and procedures for ensuring independence.
